

2013 FLHX STREET GLIDE®

Color Shop Custom Paint: Limited – Smokey Gold

You can't go wrong with an off-the-rack version of any Touring family motorcycle. But that doesn't mean you can't make it even "more right" with a little imagination. Take this Street Glide® model. The limited-edition Smokey Gold paint, Blade custom wheels and Screamin' Eagle® Laser Exhaust Shields add to the low-profile look, and the mirror-chrome front end and ape hanger handlebar supply the finishing touches.
