

2015 FLS SOFTAIL SLIM®

Production Color: Radioactive Green

This sultry Softail Slim® motorcycle takes a decidedly bobber turn with its blacked-out engine, black front end, 16" Fat Ape bars*, and the distressed leather and brass Bobber solo spring saddle. The Tribal Collection controls complete the retro 1950s custom look, perfect for riding from the drive-in or diner to your favorite late-night hot spot.

(* Handlebar height is regulated in many areas. Check local laws before installing.)
