

2015 XL883R SPORTSTER® 883R

Production Color: Amber Whiskey

The spirit of the legendary XR750 racer lives on. Jet black Screamin' Eagle® Street Cannon mufflers and the Stage I air cleaner bump up the power. The race-inspired mini wind deflector and Brawler™ solo seat set the profile, and the black and polished Slotted 6-Spoke wheels and Burst Collection controls provide the finishing touch.
